Keep the same idea

Portrait notes beside landscape diagrams.

Read the paper in its original layout.

Turn the view when a chart is sideways.

Return to the same part after rotating.

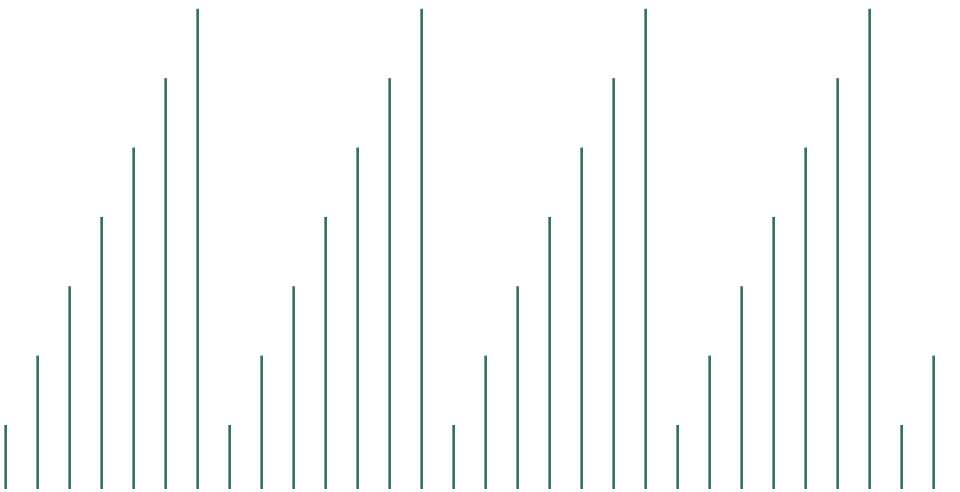

The source file remains unchanged.

A wider view

Landscape table and vector chart - source remains original.

Reading step 1	12 minutes
Reading step 2	24 minutes
Reading step 3	36 minutes
Reading step 4	48 minutes
Reading step 5	60 minutes
Reading step 6	72 minutes
Reading step 7	84 minutes
Reading step 8	96 minutes
Reading step 9	108 minutes

Look for the pattern

Turn to keep reading

This physical page has an embedded 90-degree rotation.

SIDEWAYS TARGET

Select this line after turning.

Keep highlights on the source text.

A small page

Small source, full original width.

SMALL PAGE TARGET

CROP TARGET

Text stays inside the crop.

Inspect the details

Large vector drawing and a 2048 x 1024 embedded test image.

LARGE IMAGE TARGET
