Make room for ideas

A quiet place to read, think and return.

01 Keep your place

Pick up where you left off, anytime.
Your reading position is saved automatically,
so you can easily continue later.

Read

A clean, focused reading experience.

Find

Locate content with a keyword.

Return

Come back right where you were.

02 Look a little closer

Zoom in to see details in a diagram,
a table or a small note.
Return to fit width whenever you need.

Find what matters

Read carefully, then follow a useful idea.

SEARCH TARGET: quiet reading
A searchable PDF contains a text layer.
Search each page without changing the original.

Use a page number to jump to a detail.
Your place is kept on this device.

This synthetic file has three pages.

Return with an idea

The original file stays exactly as it was.

A quiet reading workflow should be predictable.
Read, find and return without editing the PDF.

中文检索：安静阅读，记住这一页。

页面文字按提取顺序显示，保留原 PDF。

End of the synthetic LongEdit reading guide.
